THE 1964 BREEZE

WASHINGTON GARDNER HIGH
ALBION, MICHIGAN

Harrison, Steer

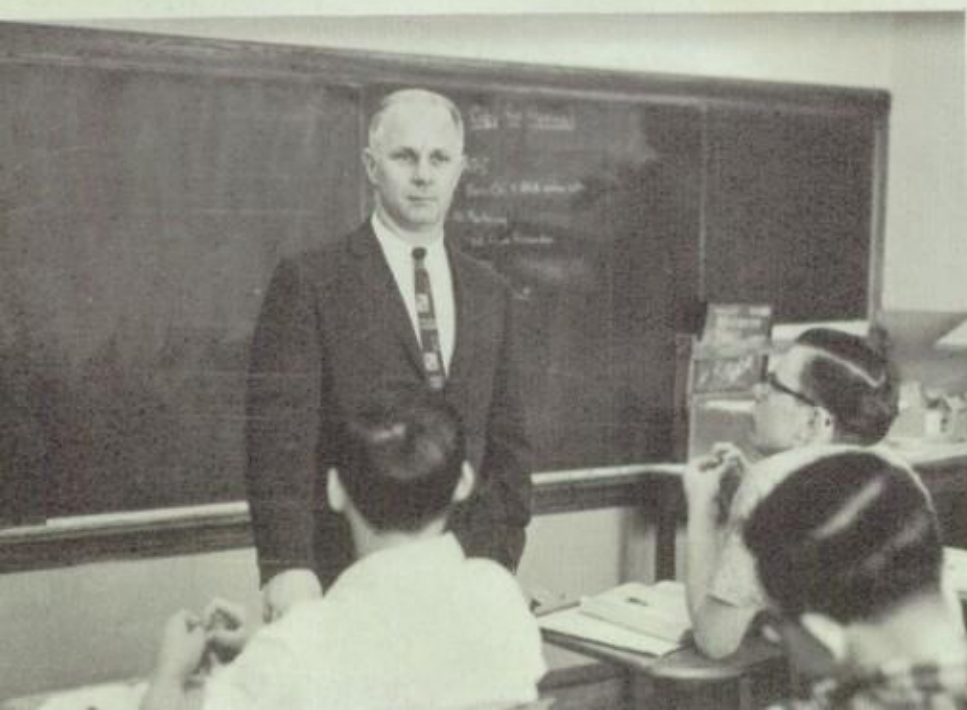

Contributions to

Mr. James Harrison—an actor, English teacher, and journalist all rolled into one. Also an unusual combination. Moving to Albion in 1950 for his first teaching job he has been a member of the faculty for fourteen years.

In addition to his regular teaching duties Mr. Harrison has been advisor to the annual and paper staffs, personally supervising all Breeze yearbooks and newspapers. In 1954 the annual was also dedicated to Mr. Harrison. A man of varied interests he has appeared in several productions at the Civic Theater in Marshall, Michigan and taken an active interest in all sports.

A native of Detroit, Mr. Harrison attended Albion College for four years where he received his Bachelor of Arts degree. He furthered his education by earning his Masters Degree at the University of Michigan.

During the summer the Harrison's plans include moving to Setauket, New York on Long Island, where he will teach English and possibly journalism.

Make Valuable Albion Curriculum

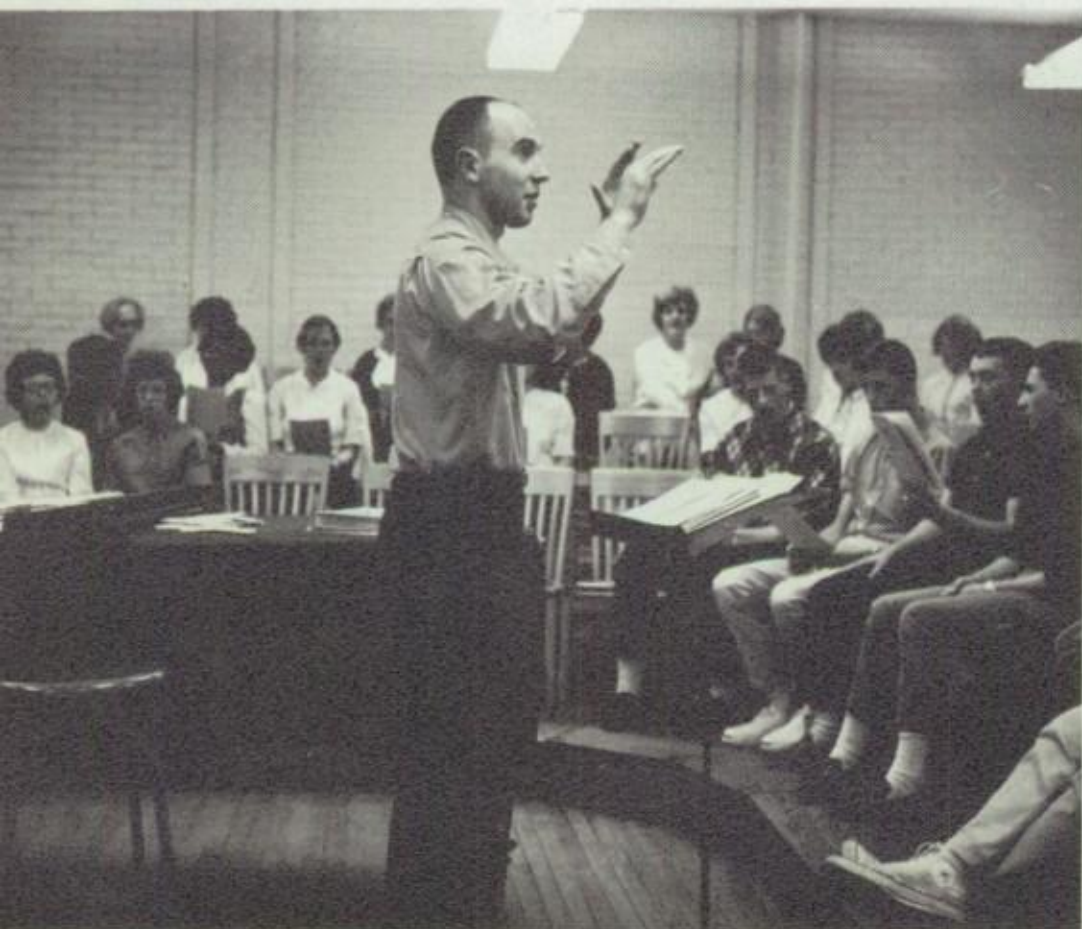

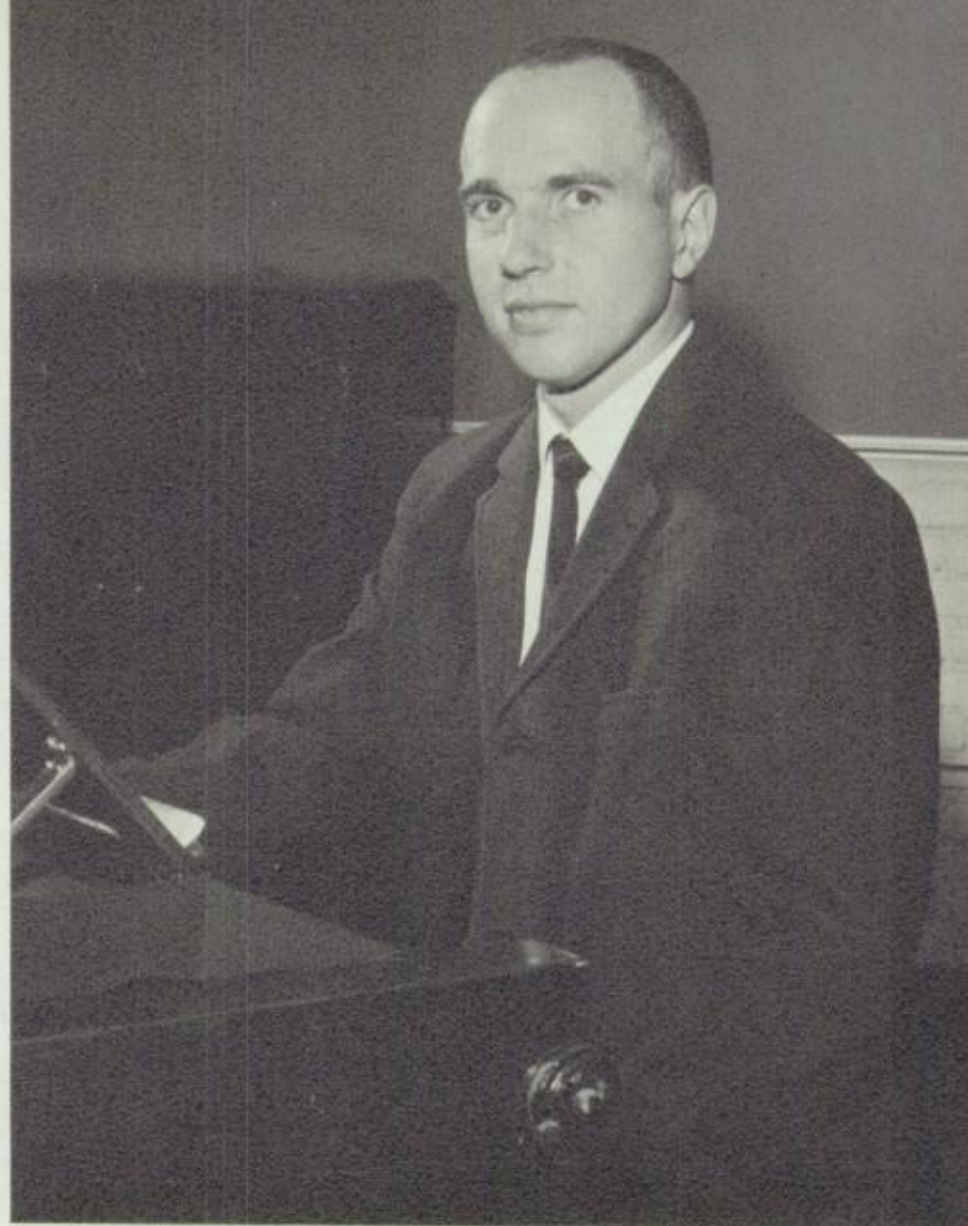

A high school choir director who does coaching on the side—a rather unusual combination. Albion High School has been extremely fortunate for the past five years in having such a man in Philip Steen.

The initiation of musical productions has been a major contribution by Mr. Steen. Under his direction such celebrated hits as "The Mikado," "Good News," "Plain and Fancy," and "Carousel," were produced. Abolishing the Girls' Glee Club and forming three separate choirs has been another major change instituted by him. Such an action was necessary to provide an opportunity for all the interested students to join choir. Mr. Steen, in his short career at Albion, also initiated a Boys' Glee Club and directed the Ensemble.

Born in Lafayette, Indiana, Mr. Steen attended grade school and high school on the campus of Western Michigan University, where his father is a professor. He earned his Bachelors and Masters degree at Western.

An avid sports fan, Mr. Steen also takes interest in theater arts, all forms of music, and people in general. The constructor of his own hi-fi set, his ambition is to someday build an organ.

The Steen family's immediate future plans include returning to the University of Michigan where Mr. Steen will work toward a Ph.D. in music education.

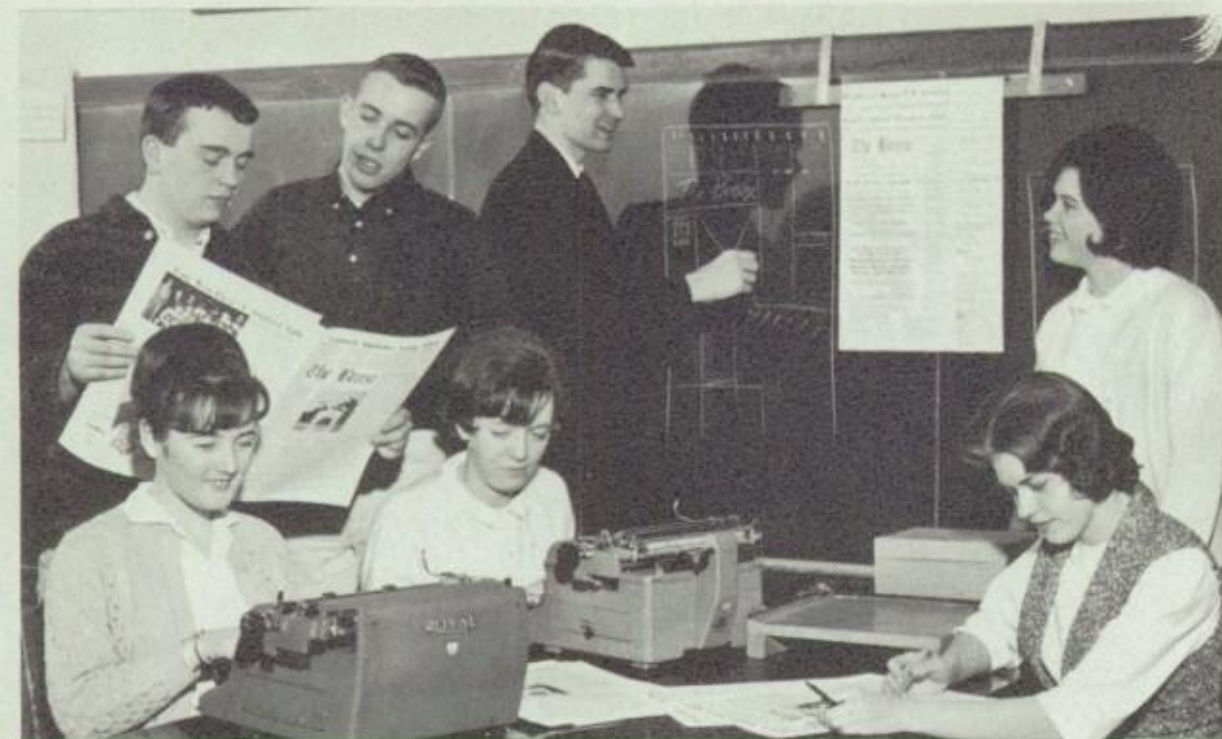

In Memoriam

Sally Huvendick

Fear death?—to feel the fog in my throat,
The mist in my face,
When the snows begin, and the blasts denote
I am nearing the place,
The power of the night, the press of the storm,
The post of the foe;
Where he stands, the Arch Fear in a visible form,
Yet the strong man must go;
For the journey is done and the summit attained,
And the barriers fall,
Though a battle's to fight ere the guerdon be gained
The reward of it all.
I was ever a fighter, so one fight more,
The best and the last!
I would hate that death bandaged my eyes, and forbore,
And bade me creep past.
No! let me taste the whole of it, fare like my peers,
The heroes of old,
Bear the brunt, in a minute pay glad life's arrears
Of pain, darkness, and cold.
For sudden the worst turns the best to the brave,
The black minute's at end,
And the elements rage, the fiend-voices that rave,
Shall dwindle, shall blend,
Shall change, shall become first a peace out of pain,
Then a light, then thy breast,
O thou soul of my soul! I shall clasp thee again,
And with God be the rest!

Selling refreshments and sponsoring dances after all the home football games and all but three of the basketball games kept the Senior Class officers and executive board busy the first part of the year. Appropriating money for a senior float and supervising the decorating of the armory for the Homecoming dance was a major fall activity.

In the spring the class sponsored car washes and bake sales. Dances and a senior carnival were also money-making projects. The year was climaxed by the Senior Prom held June 5.

Serving as officers for the 1963-64 year were: president, Jerry Miller, vice-president, Phil MacVean; secretary, Linda Botello; treasurer, Dave Moore and sergeant-at-arms Bob Masternak. Mrs. Mildred Ford and Mr. Gary Wiseman functioned as class advisors.

Queen, court, floats, band, dance—all combined made this homecoming one of the most successful Albion has had in the past few years. Homecoming events began at the halftime show when a parade of class floats circled the field. As the floats left the Wildcat marching band took the field and after a brief show formed a heart shape and played "Let Me Call You Sweetheart"; as the queen's court and escorts circled the field. Members of the court were Linda Botello, Ann Chauncey, Joan Court, Shan Gardner, Alicia Gonzalez, Karen Phipps, Brenda Smith and Cynthia Young. Escorts for the eight were Keith Van Schoick, Bob Masternak, Greg Lyman, Dave King, Jim Bervaras, Phil MacVean, Dick Brautigam, and Brian Marsh. It was then that principal Harry Williams crowned Brenda queen of this Year's homecoming.

After the game the queen and court reigned at the senior-sponsored homecoming dance, at the armory.

Another Fine Record

Co-Captain Jerry Miller receives instructions from Coach Snell.

For the second year in a row Albion Wildcats have captured second place in Twin Valley play. Under the guidance of coaches Anderson, Snell, and Muhlenkamp the team posted a 7-0-1 record.

The Albion 'Cats defeated three league foes before they met their real match. Hillsdale fought hard to defeat Albion 12-7 and went on to win the Twin Valley championship. Albion's proudest win of the season was the 20-19 victory at Marshall which won second place in the Twin Valley and brought the Rotary trophy back to Albion.

The Wildcats placed Ron Wilson, Woody Wilson, and co-captains Les Miller and Jerry Miller on the all-Twin Valley football team, with Ken Moorehead and Mike Pickens receiving honorable mentions.

Reserve football coach, Walt Krueger, would have looked on an undefeated season a few years ago as merely a dream, but now it has become reality. In fact, for the second year in a row, the reserves under the leadership of co-captains Gil Johnson and Bob Carrigan have emerged undefeated.

They have racked up 20 consecutive wins over the past two years and have not lost since their game with Marshall in 1961 when the score was a close 14-13.

This season the 'cats scored a total of 188 points to their opponents 44. Mike Luty and Rick Burlingame led the team with 46 and 36 points respectively.

Coaches Krueger and Gary Wiseman are sure their boys will help the varsity team out next year with the same efforts they gave the reserves.

The next few years look bright on the football horizon. The freshmen football squad has shown much potential in the past year, and promises to develop into a Varsity squad of ability.

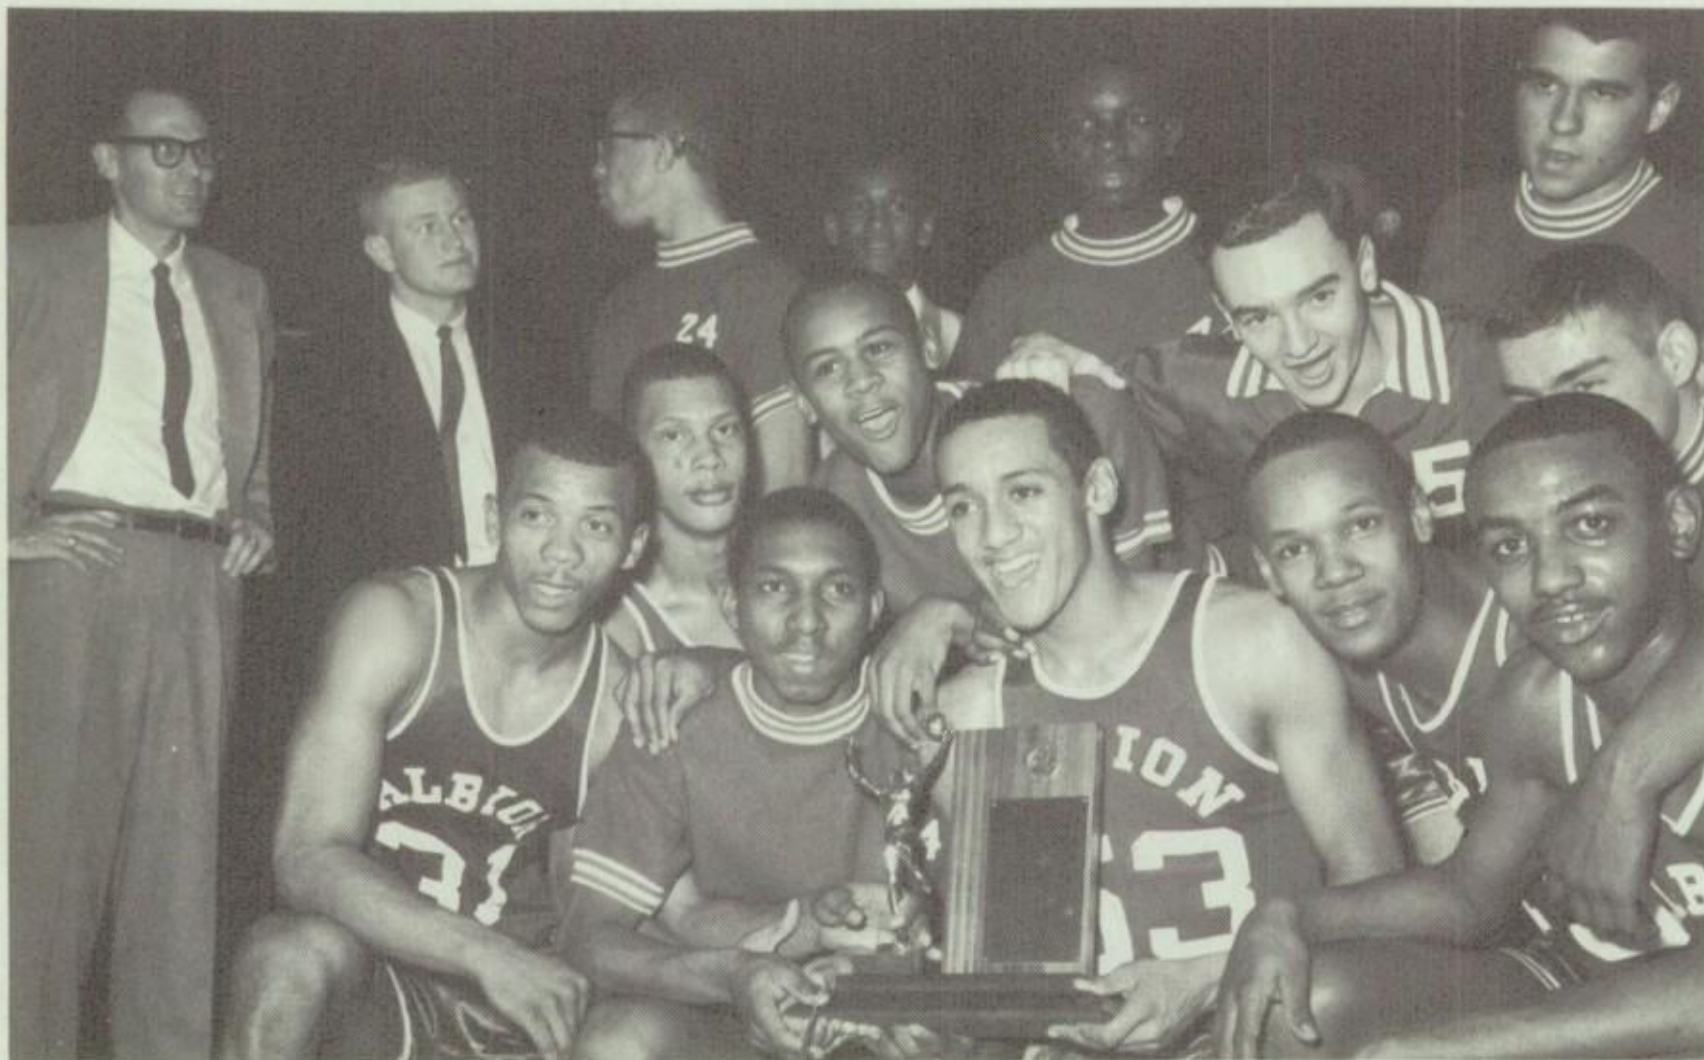

Under the direction of Mr. Kareck and Mr. Steen and with the leadership of co-captains Dave Sibal and Dequilla Lackey, the team scored a total of 191 points against their opponents.

Let The Record Speak For Itself

This year's Varsity basketball team, certainly one of the best Albion has ever produced, swept through the first undefeated season in the history of Albion high school. They went on to set new records in scoring. The team set a record for the school gym when they bested Harper Creek, 97-74, then set the Twin Valley record, scoring 104 against Coldwater. The squad succeeded in becoming the first team in league history to score over 1000 points during a season. To close the season Albion won its first class "A" trophy in the district at Jackson, Michigan.

Darryl Wheeler was high scorer with a total of 378 points. Ron Wilson had 344 and Moorehead and Miller led in rebounds, with 257 and 247 respectively. Miller and Chatman were first in assists with 94 and 90. At the basketball banquet held in the spring Ken Moorehead and Ron Miller were elected co-captains, Harry Bonner and Karl Wilson as most improved.

Reserve Basketball

The reserve basketball squad under the coaching of Ivan Muhlenkamp fared well in the '63-64 season. They won every game with the exception of two. They lost a close match to the champion Marshall J.V.'s and one to Three River thus ending up second in the Twin Valley league. They made a record in the tilt against Hillsdale, scoring 88 points. Leading the squad as high point men this year were Richard Neal with 215, James Lacky with 169, and Zip Boggan with 103.

Coach Muhlenkamp predicts a good future with four freshmen on the team, and members of the freshmen squad coming up next year.

Seniors: J. Labun, L. Marsh, D. Winchell

The Wrestling team made great strides this past year. Although they won only one dual meet, Jackson Parkside, individuals on the team made progress throughout the year. This was evidenced by the showing in the regional meet in Battle Creek. The Wildcats placed eleventh out of eighteen teams. Coach Kruse will have ten out of his twelve regulars returning next season. Graduating will be Rich Winchell and John Labun. Captains for next year will be Chuck Miller and Jim Scott. Miller was undefeated in dual meets and was the only Wildcat to qualify for the State Meet, held in Ann Arbor.

Runners Post Fine

Albion's second year in cross country showed astounding improvement over last year's record, the team ending the season with six wins, one tie, and four losses. These scores compare to one win and four losses of last year. Albion also competed in the Albion College invitational and placed fourteenth out of nineteen schools. In the regional meet they placed twentieth out of twenty-seven schools.

Coach Don Ashdown said he is very pleased with the season's results and thinks Albion's future in cross country will be promising. Top runners this year were Scott White and Paul King, co-captains; Dave Kubicek, Dave Lutzke, and Don Kinsley

The excellence displayed by Albion High Schools' coaching staff deserves much credit. We would like to take this opportunity to thank them for leading the teams of A.H.S. to many victories. Without their efforts our basketball team wouldn't have won the Twin Valley and District Championships or our football team wouldn't have placed second in Twin Valley competition. Their efforts produced track, cross country, baseball, swimming, golf, wrestling, and tennis teams which were again worthy of much merit.

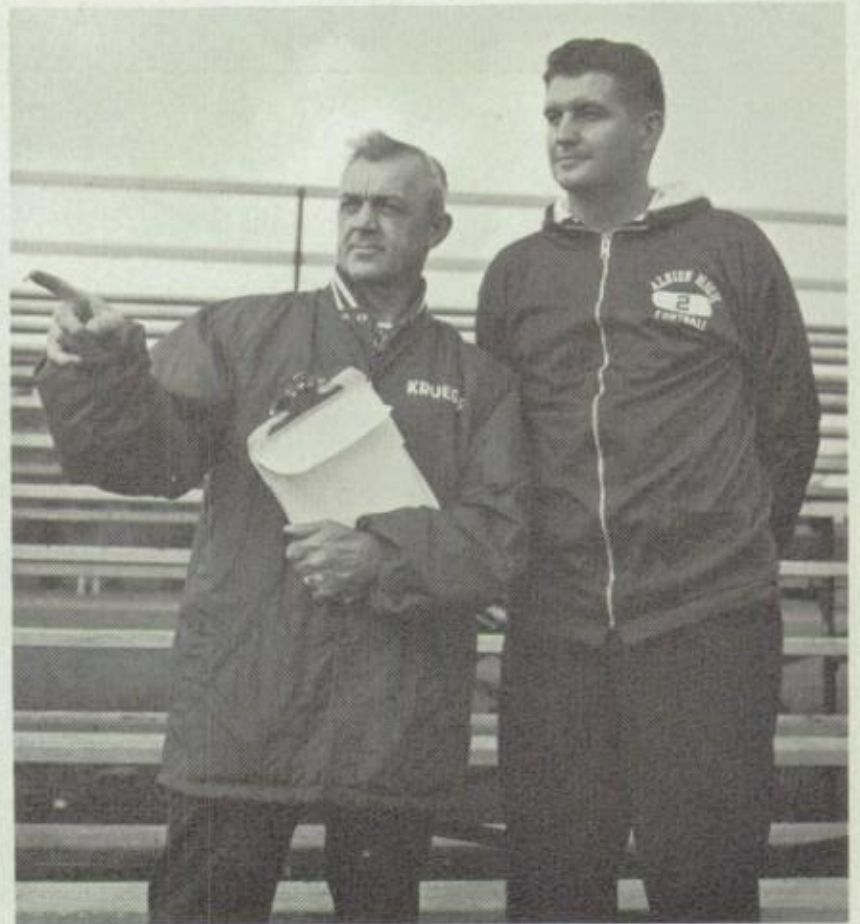

An outstanding debate season and the tireless efforts of our cheerleaders are also a sign of talented guidance. Hats off to the astute tacticians that provide the leadership and inspiration for the competitive teams representing Albion High School.

Senior High Student Council

This year the senior high student council has busied itself with numerous activities. In December they sponsored a successful Christmas formal "Crystal Ball." As a way of acquainting teachers with council members, they entertained the faculty at a tea. One of the main points of this year's council's business was a change in the election of homecoming queen and court. There were several special meetings held at night and open to the public. These meetings proved to be quite successful and stimulated discussion. Brenda Smith, Karen Phipps and Dick Brautigam attended a statewide council meeting in the fall at Ann Arbor.

B. Anderson and Judge Mary Coleman

In School Affairs

The annual Junior High Tardiness contest, Teachers tea, and the Freshman class graduation ceremonies top the list of achievements by this years junior high student council.

A new project introduced this year was the sale of charm bracelets lettered Albion Jr. High or Albion Sr. High. Another project undertaken was the Junior High dance held on February 8.

"Parlez-vous Français?" ask the members of Le Cercle Français, better known as French Club. The business meetings were conducted by President Ron Isaac, and the programs were introduced by Sue Pulling, vice-president. The club notes were taken entirely in French by Sue Gildart, secretary, and Doug McElhaney made the monthly treasury report.

Highlights of the meetings this year were a costume party, Christmas caroling in French, various club skits, and the annual club spring picnic.

Spanish Club

In "En Club de los Buenos Vecinos," the Spanish Club, the Spanish language flowed fluently. The officers, president Mary Sprandel, vice-president Linda Botello, secretary Alicia Gonzalez, and treasurer Phil MacVean, led the club in many activities.

The monthly meetings, held at the homes of members, were characterized by business meetings in Spanish, games, and refreshments.

Important events of the year were the Christmas party and the May fiesta, a complete dinner of Spanish foods. Club members also had the opportunity to order Spanish club pins. Serving as advisor for the 1962-1963 year was Mrs. Mildred Ford, Spanish language instructor.

Chemistry and Physics Section

The biggest project for the Bi-Phy-Chem Club this year was the preparation for the second Annual Science Fair held in April. First prize was won by Richard Elsass. Students worked on their projects all year. This year the Bi-Phy-Chem was affiliated with the national science organization, The Future Scientists of America (F.S.A.).

There were several interesting speakers at the meetings: Mr. Bryce speaking on Futrasonics; Colonel Duckworth related his experiences of flying into the eye of a hurricane; two college students, Dave Barrett and Terry Clark discussed their project on heart surgery, and Pam Geyer and Kathy Embury told the club about their last year's science fair project on embryology.

Intra-School Athletics

With the electing of new officers at the last meeting of the '63" school year, the Varsity Club got off to a successful start. The elected officers were Mike Pickens, president, Greg Smith, vice-president, Paul King, secretary, Keith Van Schoick, treasurer, and Ken Morehead, sergeant-at-arms. Again as in previous years, Mr. Donald Ashdown and Mr. Ellsworth Anderson were the Club's advisors.

During the summer the officers and several other members organized the football programs that are given free of charge to the fans at home football games.

In October a dance was held at the Parker Inn for all club members and those persons who were on the football and cross-country squads. Next the club organized the Red and White basketball game in order to pay for shoes for the basketball squad.

Then came the last of November, and in zero weather a hayride was staged. Other activities include a pep assembly and the annual Senior-Faculty game. Future events will probably include a spring party.

With the addition of several new sports, the membership of the Varsity Club has grown to nearly 50 members. Membership of this club is open to all sport letter winners who apply for membership and are accepted by three-fourths of the members of the club.

Once again the tradition of initiating new members has been started. In 1963-64 two initiations were held. In the fall new members were required to work on a car wash and in the winter a bake sale was held.

Because the club is organized to advance sportsmanship and interest in athletics, the club made its annual gift to the school. This year \$200 was given toward a new projector to be used for athletic purposes.

A Coed Affair

This year G.A.A. has been active taking bike trips to Marshall, bowling every Monday night, and swimming and playing basketball every Saturday morning. Basketball is sometimes played in the college gym to give the college girls a chance to get referee's licenses.

A dance was held February 22 for all G.A.A.er's and their dates.

The executive board is made up of officers and representatives from each class.

Officers this year are: president, Jane Dooley; vice president, Carol Aughton; secretary, Nancy Sibal; treasurer, JoAnn Hilborn; sgt-at-arms, Sandy Steimel; point keeper, Bonnie Gaskell.

Debate Team

On April 11, 1964 the Albion High School debate team won the title of state champion in the class "A" division. Steve Morgan and Dick Brautigam debated negative against Detroit Rosary High School at Ann Arbor. They received an emphatic three to nothing decision to cinch the title and bring back the trophy.

Under the supervision of Mrs. Ethel Fleenor, the debators also topped the Twin Valley during seasonal competition. Posting a 13-5 over-all record, Albion won dual decisions over Hillsdale, Marshall, Sturgis, and Coldwater. The five losses came from splits with Battle Creek Central, Battle Creek Lakeview, Lansing Sexton, Jackson and East Lansing, all large schools included in Albion's schedule so that valuable experience could be gained for the tournaments.

In the districts they made a five win-one loss showing in the six rounds at Kalamazoo. David Rammelkamp and Steve Morgan won affirmative contests over Grand Rapids and Jackson. David Quebbeman and Dick Brautigam, who debated the negative in all three rounds, defeated squads from Stevensville, Lakeshore, and Niles.

Participating in competition debates this year have been Steve Morgan, Dick Brautigam, David Quebbeman, David Rammelkamp, Sally Huvendick, Nancy Zick, and Nathan Dickmeyer.

Many students also competed in spring speech contests. Those placing either first or second in the locals were Oration: Nancy Zick, and David Lock; Humorous reading: Tom Abendroth and Doug McElhaney; Interpretive reading: Sally Huvendick, and Marie Miller; Declamation: Willie Bogan and Glen Caldwell; Extemporaneous: David Rammelkamp and Nathan Dickmeyer.

Students Serve Community, School

The Future Nurses Club was active this year. Improvements within the club itself appeared in the form of several amendments to the constitution, the establishment of a demerit system, and the creation of club membership cards. Civic duties were numerous and included making place mats and favors for the hospital on Valentines Day, Christmas caroling, and the presentation of a tierra to the high school to use in the crowning future homecoming queens.

Other items on this year's agenda was a trip to Henry Ford Hospital, and a talk by guest speaker, Mrs. Rowan.

Officers of the future nurses club this year were Joan Court, president; Billie Warson, vice-president; Rosemary King, secretary; Charlene Heisler, under-secretary; Linda Riggs, treasurer; Ann Reynolds, sergeant-at-arms.

Tastemakers Travel

The Tastemakers Club, only two years old, has become one of the most active organizations in the school. The purpose of the club is to become aware of our surroundings. It accomplishes this by attending concerts, listening to records, and enjoying good music and food.

This year the club went to see the Vienna Symphony, the Polish National Dance Troupe, and the colorful Bulgarian National Dance Troupe. They heard the "Lettermen" and "The Messiah" and during the course of the year staged a hayride and a party.

Members of the club earned enough money during the year to take a trip to Washington D. C. during Spring Vacation. They were personally met by the Representative August E. Johansen and visited the House of Representatives, the Washington, Lincoln, and Jefferson Memorials, and the F.B.I. Other attractions they visited were Mount Vernon, the White House, Custus-Lee Mansion, and Arlington Cemetery.

Officers of the club this year were Pam Geyer, president; Sue Barnes, vice-president; Gail Nester, treasurer; and Kathy Embury, secretary.

Thespians

This year was the first year the "Thespian play" has been unconnected with the Breeze. The play, "The Mouse That Roared" was a success in spite of unforeseen difficulties during rehearsal.

A new constitution was written and approved. Badly-needed flats were made for the stage and all stage equipment was labeled. There was one initiation at the end of April which included all new members received because of participation in "The Mouse That Roared" "Arsenic and Old Lace", or "Carousel."

Officers for the year were Dick Brautigam, president; Dave Moore, vice-president; Marie Miller, secretary; Phil MacVean, treasurer; and advisor Mr. Michael Beery.

A Roaring Success

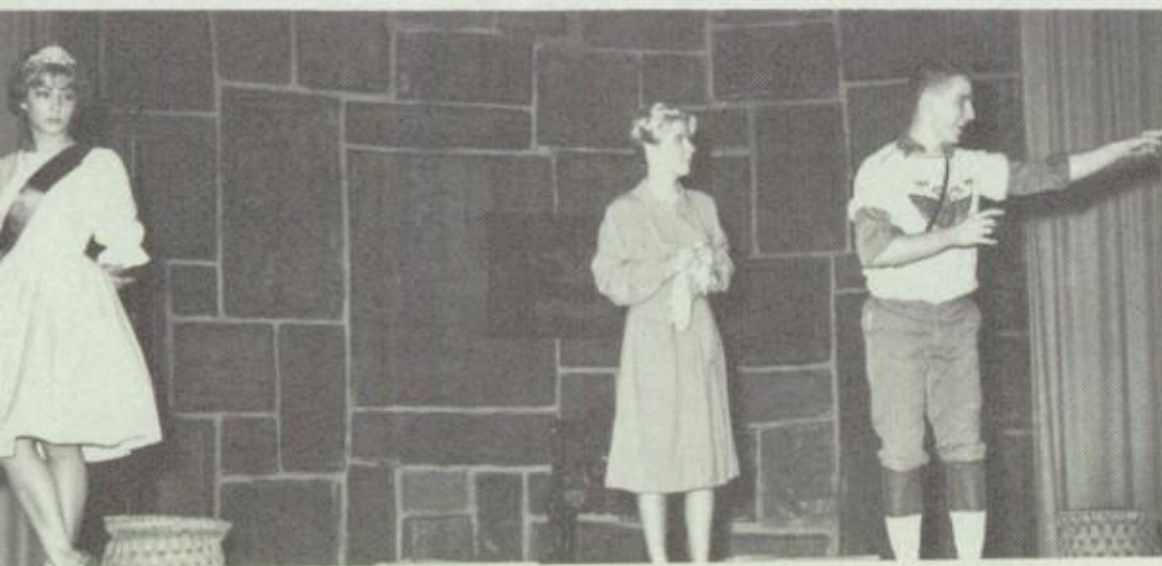

Many students, representing grades 9-12, made up the cast and crews of the 1963 Thespian play, "The Mouse That Roared," presented December 5 and 7 in the high school auditorium. The play was directed by Mr. Michael Beery with the help of student director Marie Miller.

The two-act comedy, adapted by Christopher Sergel from Leonard Wibberley's book, is about a small country in Europe, the Duchy of Grand Fenwick, that realizes it needs money.

The government officials decide to declare war on the United States so the country can receive foreign aid when it is defeated. Grand Fenwick accidentally defeats America under the able leadership of Tully Bascombe. The cast included:

Juniors Stage Old Favorite —

"Arsenic and Old Lace," a popular play by Joseph Kesselring, was selected for production by this year's junior class. Mr. William Terrell directed this 66th annual Junior Ex with Liz Gray assisting as student director. The play, presented on March 13th and 14th, included eleven male and three female roles.

The plot centers on two old ladies and their nephew Teddy. The two ladies are very hospitable, serving their elderberry wine-with arsenic in it. The nephew, Teddy, (who thinks he's Teddy Roosevelt) digs locks for the Panama Canal in their basement. It is here that the bodies are buried.

Chairmen of the committees were: props, Betsy Baldwin; costumes, Carol Aughton; stage crew, Jim Keyes and Carl Lack; make-up, Sharron Landon, tickets, Sheryl Messick; program and promotion, Ron Isaac, Barb Anderson, and Bonnie Gaskell.

Choir director Philip Steen started his annual spring musical productions four years ago and finished with the excellent choice of "Carousel" by Rodgers and Hammerstein this year.

The play was presented four times, once to Starr Commonwealth for Boys, the sixth graders from the Albion Public Schools and twice for the public, April 10 and 11.

The story takes place on a New England coast, where the action begins at an amusement park. The barker on the carousel, Billy Bigelow, played by Bill Keller, falls in love with a young girl, Julie, played by Sally Huvendick.

They are soon married and have a daughter. Billy is killed in an act of stealing money and the rest of the play concerns his coming back to earth to help his daughter.

The purpose of Albion high school's library club is to promote efficient service to all pupils and teachers of Albion schools and to interest all in the use of the library.

To achieve these goals, various programs were undertaken this year. Several guest speakers provided interesting and informative meetings. The annual Christmas dinner and the annual spring picnic were held, and a retirement party was given for Mrs. Irene Bartell. Bowling proved to be a popular form of recreation.

As in previous years, a contest was held to determine the top three students who had devoted extra time in library service. The three students receiving awards this year were Leslie Brown who was first with 730 points; Mary Jean Brock, second with 455 points; and Gail Frank who was third with 350 points.

Students Sing Along With Steen,

Varsity Choir

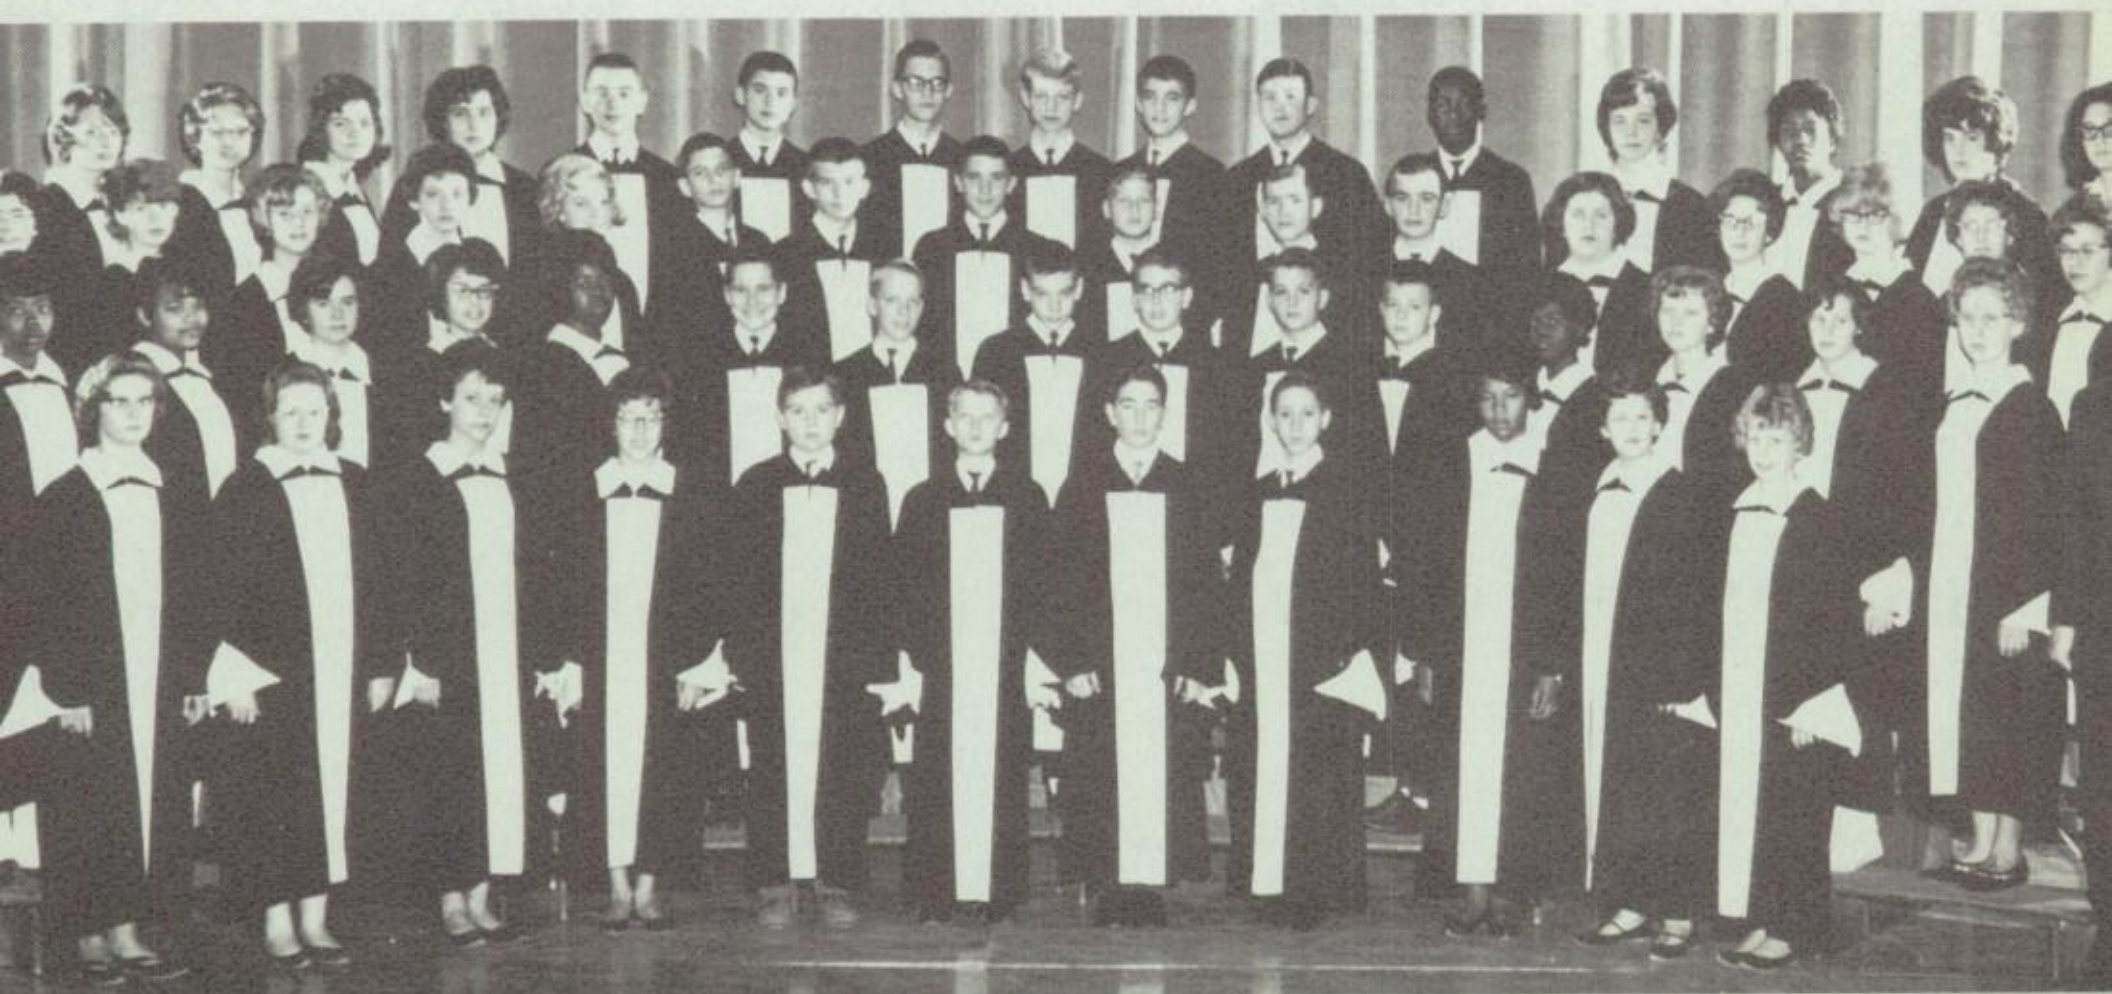

In his final year of teaching at Albion high school, Mr. Philip Steen led the three choirs in many activities. Under his direction the Varsity Choir, General Chorus, and the Junior High Choir presented Christmas and spring concerts and participated in the convocations. On April 13 the Varsity Choir and the General Chorus journeyed to the campus of Western Michigan University for the annual festival held there. Local service clubs also provided the Varsity Choir with opportunities to sing. The three choirs combined in the spring to present a farewell program for the departing seniors.

Provide Year Of Variety For Bandsmen

As the whistle blew, the Albion marching band quick-stepped onto the field to provide the half-time show for the three home football games. The crowd enjoyed their musical antics as they hustled into formations related to the tunes.

Later in the year the concert band played for open house, held a winter concert, and then a "pop concert" in which they employed everything including the kitchen sink, and a "bubble machine". In a contest they received a second division award.

Many of the band members attended the district solo and ensemble festival and several others went to the state contest. The band planned an exchange concert with Cadillac, Michigan and an assembly for the school.

Larry Marsh was president of the band. Dave Kubechek the drum major, and Pat Wilson, Nancy Bearman, and Mary Jo Domingo, Majorettes.
